

## PROMOSTANDARDS

To All Distributors:

Garyline currently offers live data for the following PromoStandards services:

- Inventory
- Order Status
- Order Shipping Notification
- Product Data & Media
- Pricing & Product Configuration
- Purchase Order

We expect to launch the Invoice service later in the year.

If you need additional information or would like to get credentials to receive data, please contact [promostandards@garyline.com](mailto:promostandards@garyline.com) or contact us directly.

We look forward to working with you to streamline the process.
